

Grandparents Parenting Grandchildren Monthly Group on Saturdays

Nationwide some 2.5 million grandparents are parenting their grandchildren and not without a host of challenges and issues that come with the job, including mixed emotions, financial burdens, health concerns and keeping pace with the children. Join us for a discussion on the joys and challenges grandparents face, hear from other grandparents and learn about some of the resources and supports available.

This program is FREE. If child care is an issue please let us know.

Please call The Grapevine for more information or to join this group.
